*Standing in the park yesterday, I was wondering
why Frisbees look bigger and bigger
the closer they get
Then it hit me.*

Interesting Facts

- You share your birthday with at least 9 million other people in the world.
- The winter of 1932 was so cold Niagara Falls froze completely solid.
- If you keep a goldfish in a dark room, it will eventually turn white.
- Women blind nearly twice as much as men.
- If the population of China walked past you in single file, the line would never end because of the rate of reproduction.
